

The EDON display is ideally suited for building and hotel lobbies or other architectural-designed environments.

The base is rugged 14 gauge steel, finished in a tough metallic silver powder coat paint finish.

Single or back-to-back posters are captured between two 5mm thick tempered glass panels with rounded corners and polished edges.

Size options:

26" x 50" Glass > 24" x 36" Posters
20" x 50" Glass > 18" x 36" Posters

Also available in Stainless Steel

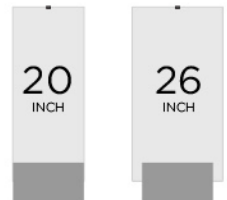

Aluminum Rail
